

Frequently Asked Questions From Communities We Serve

How do I report a missed trash or recycling pickup?

If you are calling to report a missed pick up, first let us say we apologize for any inconvenience. Our essential employees are working hard during the COVID-19 crisis. We are happy to report that we have recently implemented smart garbage trucks equipped with tablets that will ensure accuracy on every route. To report your missed pick-up, please e-mail us your name, address and account number. info@countyhauling.com or call (724) 929-7694.

What if I have an online bill pay question?

You may live in a community that offers online bill pay, including ACH and auto debit. If you experience an issue or would like help setting up your online account, please e-mail us. Please include your name, address and account number, which is identified at the top of your bill. You can send us a request to open an online billing account for you by e-mailing info@countyhauling.com or call (724) 929-7694.
